

List of heritage specialists who could assist with owners in assessment and undertaking repairs to heritage buildings damaged by earthquakes

Last updated 10 May 2011

Notice & Disclaimer. This list has been prepared for the purpose of recovery and reconstruction work following the Canterbury earthquakes of 4 September 2010 & 22 February 2011. The list contains names of persons who have notified their availability to assist with recovery work or who have worked for the NZHPT. The NZHPT does not undertake accreditation or registration of heritage professionals. The NZHPT does not attest to the competence of any listed persons or companies or to the accuracy of the statements of experience, competence or qualification. NZHPT does not accept responsibility for the quality or accuracy of any service provided or for any advice or any report of listed persons. Where practicable, hirers are advised to invite and vet competitive tenders for any work. Every effort has been made to locate contact details from the public domain (i.e. websites) to avoid the circulation of any personal information under the Privacy Act 1993.
